MODIFICATION PROGRAMME FOR MERCEDES GL EXTENDED

The largest SUV by Mercedes Benz became very popular especially in Eastern Europe. Carlsson has therefore strongly extended its modification programme for the GL model. From end June, the complete programme is available with a front spoiler including a stainless steel grille, rear spoiler and light alloy wheels in 11 x 22". If you wish to obtain more information or an individual offer, please send an e-mail to info@carlsson.de or our sales department at tel. +49 (0) 68 61/93 32-254 / -257 Sandra Gasper, Torsten Engelhardt.

ELEGANT AND SPORTIVE – SIMPLY CARLSSON

The new light alloy wheel 1/14 which is cast in one piece is available from the end of June in 8.5 and 9.5 x 19". The new Carlsson wheel follows the trend for black wheels and is varnished in a noble black colour with a spin-polished silver surface. With the 1/14 RS, the Carlsson engineers intended to develop a sportive wheel which is relatively light and still very stable. The

new Carlsson light alloy wheel 1/14 RS is available for the models SLK, the C-series, the CLK, the E-series and the SL-roadster.

SPORT AUTO READERS' CHOICE

Also this year, the sport auto readers have chosen the best sports cars, coupés and convertibles from various car categories. Carlsson chairman Markus Schuster was able to enter the podium twice and win a prize. The Carlsson CD22 won the 3rd prize on the basis of the C-class 220 CDI in the diesel category up to 40,000 euros and the Carlsson CK35 also won a 3rd prize on the basis of the Mercedes Benz SLK 350 in the convertible category up to 80,000 euros. "This is a steady success for Carlsson and we would like to thank all auto sport readers for their choice" said Markus Schuster in front of 150 invited guests after the awards ceremony in the trendy Stuttgart club Cube.

YAMAHA HORSE SHOW 2008

CARLSSON EXCLUSIVE PARTNER OF THE YAMAHA HORSE SHOW 2008

Already for the fourth time, Carlsson was the exclusive partner of the world-famous Yamaha Horse Show in Japan. On more than 80,000 square metres, the most selected Japanese race horses were shown. Moreover, approximately 100 equestrians participated in the Carlsson Cup, a horse race which is also well-known outside Japan.
