CARLSSON PARTNER OVERDRIVE OPENS NEW HEADQUARTERS

Carlsson's new partner in Bulgaria, Overdrive JSC, opened its new headquarters near Sofia in the presence of several prominent guests. More than €4 million has been invested to establish Overdrive's new headquarters along one of the country's largest highways, on a lot more than 5,000m² in size. With futuristic architecture worthy of awards, the building itself is nearly 900m² and includes an exclusive restaurant. Carlsson congratulates Overdrive on the grand opening of their new, very impressive headquarters and looks forward to the work that lies ahead.
